Cable Organizer 1U Panel with Brush DataSheet

FIBER4U

For 20 years, Fiber4u has been the prime choice for fast, cost-effective solutions in **Fiber Optics, Rack Cabinets, and Copper** network products.

Partnering with premier domestic and global manufacturers, **Fiber4u** ensures both speed and affordability while maintaining top-notch quality to exceed expectations across **telecommunications, data management and network infrastructure**.

1U ORGANIZER – BRUSH

Fiber4u boasts an extensive lineup of **rack cabinet accessories**, among them the innovative **1U Cable Management Panel with Brush.**
Tailored for **19-inch rack cabinets**, this solution is equipped with brush strips to manage cables while **maintaining airflow**. Exclusive to Fiber4u, it ensures not only optimal performance and longevity but also a **streamlined and efficient cable management system**.

Enhanced Cable Management and Airflow Control by Fiber4u:

- **Hassle-Free Installation:** Organizer come complete with an installation kit, including 4 screws, 4 cage nuts, and 4 washers for hassle-free setup.

- **Durable Construction:** Made from sturdy cold rolled steel with powder coating, ensuring reliability and longevity.

- **Efficient Cable Management:** Equipped with specialized brush strips, this Fiber4u organizer efficiently manages cables while maintaining optimal airflow within your rack cabinet.

- **Seamless Installation:** Crafted with 2 ears for easy installation, organizer seamlessly fits 19-inch networking equipment or cabinets, ensuring compatibility with various setups.

- **Flexible Cable Organization:** Featuring a high-density nylon brush strip, organizing cables is effortless with this Fiber4u solution, providing flexibility and convenience for your setup.

- **Enhanced Dust Reduction:** By minimizing dust accumulation near valuable server equipment, Fiber4u 1U brush cable organizer enhances the efficiency of your cooling system, ensuring optimal performance.

- **Exceptional Durability:** With metal holding sides it offers exceptional durability and stability, ensuring reliable cable management in demanding environments.

- **Versatile Compatibility:** Designed to be compatible with standard 19-inch rack cabinets, organizer seamlessly integrates with existing infrastructure, providing versatile usage options.
